

SUMMARY OF COVER

Completed Housing

The following is a summary of the cover provided by the **LABC Completed Housing Warranty**. It does not contain the full terms and conditions of the cover; these can be found in your policy document. This summary does not form part of your insurance contract.

It is important that you read the full terms and conditions carefully.

Items marked in bold in the text of this document are specific policy definitions. You should refer to the policy wording for their precise meaning.

1. TYPE OF INSURANCE AND COVER

LABC Completed Housing Warranty is underwritten by Lloyd's Syndicate 4472 (Liberty Syndicates). The scheme is administered by MD Insurance Services Ltd.

LABC Completed Housing Warranty provides cover for the owners of recently completed, extended or refurbished houses.

2. SITE AUDIT SURVEYORS

Cover under the **LABC Completed Housing Warranty** is only provided after a satisfactory independent technical audit has been undertaken on behalf of the **Underwriter**. This is known as the Site Audit Survey and is undertaken by the **Site Audit Surveyor**.

The **LABC Completed Housing Warranty** uses a network of building surveyors to carry out the Site Audit Surveys on their behalf. All surveyors are professionally qualified and have a minimum of five years experience.

Inspections are undertaken to satisfy the **Underwriter** that the **Housing Unit** to be insured represents a normal risk for insurance under the **LABC Completed Housing Warranty**. It should not be inferred that the inspections are for any other purpose. The **Site Audit Surveyor** works solely for the **Underwriter**.

3. CERTIFICATE OF APPROVAL

When a **Housing Unit** has been inspected and is considered by the **Site Audit Surveyor** to be a normal risk for insurance under the **LABC Completed Housing Warranty** a **Certificate of Approval** will be sent by the **Site Audit Surveyor** to the **Scheme Administrator**.

4. SIGNIFICANT FEATURES AND BENEFITS

The policy includes the following features and benefits which are explained in detail in the policy document.

4.1 STRUCTURAL INSURANCE SECTION 3 OF THE POLICY

4.2 ADDITIONAL EXTENSIONS

In addition in the event of a valid claim under the Policy the **Underwriter** will pay within the **Limit of Indemnity**:

- Additional Costs;
- Alternative Accommodation Costs;
- Fees;
- Removal of Debris.

As fully defined in the policy wording.

4.3 RENOVATIONS, REFURBISHMENTS, EXTENSIONS AND CONVERSIONS

When an existing property is extended or substantially renovated or refurbished the policy is endorsed to cover any items defined in **Structure** that comprise part of the new works and any consequential damage to the existing structure (provided the reinstatement cost of the whole property is included in the sum insured). Any defect in the existing property is not insured unless agreed in writing by the **Scheme Administrator**.

The Proposal Form will request the **Policyholder** to identify the works being carried out in the conversion and/or refurbishment contract for the **Housing Unit**. This information will be endorsed on the policy.

4.4 INDEXATION

The **Limit of Indemnity** and **Excess** are increased in line with the RICS House Re-Building Index or 5% per annum compound, whichever is the lesser.

4.5 ASSIGNMENT

The policy is assignable to all parties acquiring a future insurable interest in a **Housing Unit**.

4.6 BANK OR BUILDING SOCIETY'S INTEREST

Banks and Building Societies with an interest in a **Housing Unit** are automatically insured and an endorsement noting their interest will be issued if required.

5. SIGNIFICANT AND UNUSUAL EXCLUSIONS / LIMITATIONS

An **Excess** is applied for all claims under the policy. It is applicable to each and every separate cause of loss for each **Housing Unit**.
